# THINGS WE LOVE

STUART TIBAWESWA

'THINGS WE LOVE' IS A  
PROJECT THAT  
INTENTIONALLY TAKES A  
DIFFERENT APPROACH  
TO HOW THE  
LGBTQI+  
COMMUNITY IS  
REPRESENTED IN  
UGANDA.

WITHOUT REVEALING  
NAMES AND IDENTITIES,  
IN THEIR OWN WRITING,  
COLLABORATORS  
SHARED THE THINGS  
THAT THEY LIKE AND  
THINGS THAT MATTER  
TO THEM.

Messi just made me enhance my support towards him. In 2022, Messi led a team of 11 Commandos to win his First world cup trophy in a moment where no one could believe it.

Messi is the GOAT. I Love Messi the man of all seasons. I can even buy his jersey at any cost.

My bible has given  
me all the answers  
to all the questions  
the world has  
passed on my servant  
It has always kept  
me pushing in this  
hectic world but  
believing if God is  
love then i am  
loved

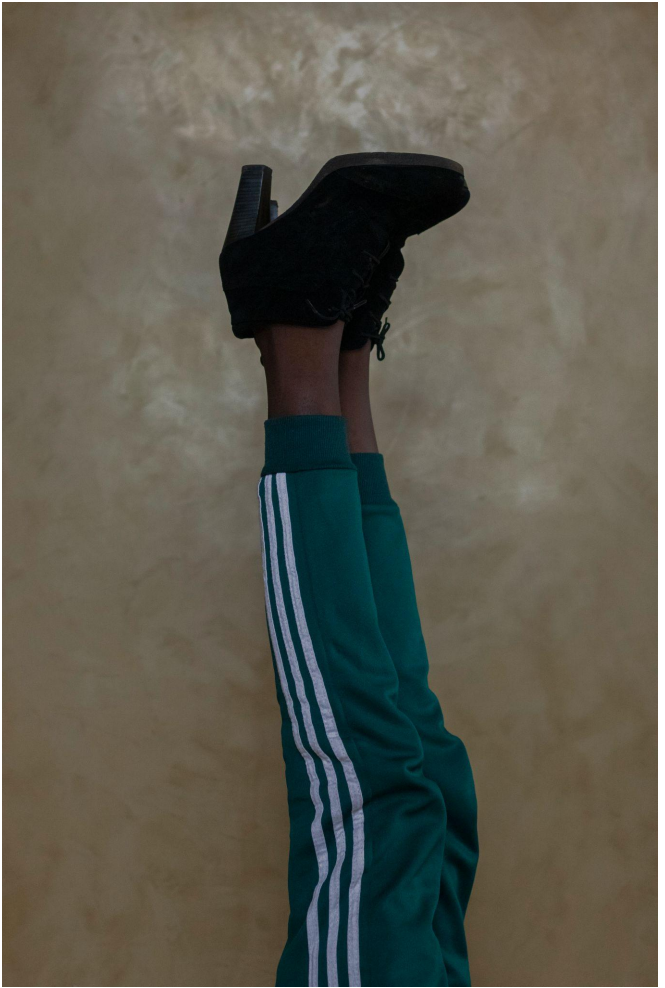

I love everything

I'm not so good though  
but I'll cheer the loudest  
when my hommie Melly  
is serving everyone level.

I love manchester United  
and I own several jerseys  
in all colours.
